ROBOCAR POLI SongSong Museum (2020) 5mins x 26 ep

Robocar POLI SongSong Museum is a music-themed animation that children get to learn global popular children song with special story of Robocar POLI.

Robocar POLI rescue team gathers here at SongSong Museum where the beloved songs by children in the world are stored. Which song will Melody Tower bring you today?

Children can easily learn the nursery rhymes around the world which the rescue team found with their wisdom and warm heart for children. Would you sing and dance along with Robocar Poli rescue team?

Daily Safety with AMBER (2018) 5mins x 26 episodes

This world's first child safety education program is designed to keep children safe from many careless safety accidents which can happen in their daily lives.

'Robocar POLI' rescue team member 'Amber' solves the cases of the safety accidents that children can face in their daily lives and saves their lives. By watching Amber's exciting performances, children can learn not only how dangerous the safety accidents are but also how to prevent and deal with the accidents.

Fire Safety with ROY (2017) 5mins x 26 episodes

This world's first child safety education program is designed to keep the world's children safe from disasters and to minimize the damage caused by fire accidents in their daily lives.

'Robocar POLI' firefighter 'Roy' solves the cases of the careless fire accidents that children can face in their daily lives and saves their lives. By watching Roy's exciting performances, this fire safety educational animation lets children learn not only how dangerous the fire accidents are but also how to prevent and deal with the accidents.

Traffic Safety with POLI (2011) 5mins x 26 episodes

Traffic Safety with POLI is designed to teach children traffic safety information which they must be aware of in an easier and fun way with children's No.1 animation <Robocar POLI>. It provides not only traffic safety videos but also its own traffic safety website and smartphone application, etc.

<Traffic Safety with POLI> which is designed for the children's traffic safety is a corporate philanthropic activity of HYUNDAI Motors, ROI VISUAL, EBS, and the National Police Agency. It is produced to keep children who are vulnerable to traffic safe.

Inner Ranger(2011) 25mins x 3 episodes

It is a children's animation that covers the adventures of nano warriors in a nano-machine smaller than cells used to fight germs in their teeth.

This dental disease prevention project is planned by ROI VISUAL in association with the Korean Academy Pediatric Dentistry, Korean Dental Health Association, and Korean Academy of Preventive Dentistry to protect health of children all around the world.

Chiro(2010) 5mins x 52 episodes

Chiro is an animation for preschoolers co-produced by ROI VISUAL and ICONIX. It tells warm and pleasant stories to help not only build children's emotions like friendship, cooperation, consideration, braveness, and family love but also their cognitive and moral growth through daily lives of the triplet chicks who live in Square land with other square animals.

Woobi Boy (2000) Season1 5mins x 28 episodes, Season2 5mins x 26 episodes

It is a children's TV animation produced in 2002 that was created thanks to the popularity of its internet incarnation 'Woobi Boy Wed Series', produced in 2000.

Many licensing products were released, and it was later published as books.

An odd little boy called 'Woobi Boy' who is always wearing a yellow raincoat and his friends always try to find the way to spent time in their same boring days.

It is a story that shows the pure and warm hearts of children through pleasant daily lives of 'Woobi Boy and his friends' who sometimes get into mischievous trouble and go on zany adventures together.
